

SUMMARY OF SANDERS TAX AND EXPENDITURE PLANS

VERSION 2: 1/28/2020

CTHULHUONICE

INCOME

Name	Revenue	Total Yearly Income
Wall Street Speculation Tax	\$240,000,000,000.00	\$5,049,000,000,000.00
Tax on extreme wealth	\$980,000,000,000.00	
cutting fossil fuel subsidies	\$20,000,000,000.00	
cutting healthcare subsidies	\$685,000,000,000.00	
No Obamacare	\$110,000,000,000.00	
Closing Tax Loopholes	\$300,000,000,000.00	
Marijuana Tax (est.)	\$132,000,000,000.00	
Employer Healthcare Tax	\$900,000,000,000.00	
Old Medicare Spending	\$582,000,000,000.00	
Savings from previous gov't healthcare spending	\$1,100,000,000,000.00	

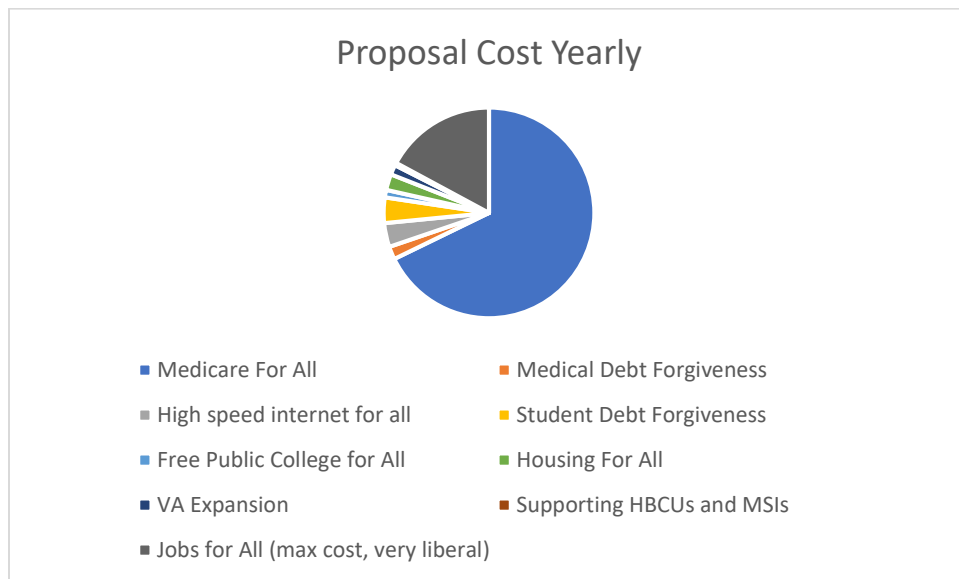

Notes:

Tax on Extreme Wealth is adjusted from the proposed \$14T / 10Y figure to account for extreme wealth being taxed away

Cutting Healthcare Subsidies and No Obamacare are derived from the abolition of private healthcare, and the lack of continued need for these programs

EXPENDITURE

Proposal Name	Proposal Cost Yearly	All proposals cost total
Medicare For All	\$2,770,000,000,000.00	\$4,086,000,000,000.00
Medical Debt Forgiveness	\$81,000,000,000.00	
High speed internet for all	\$150,000,000,000.00	
Student Debt Forgiveness	\$160,000,000,000.00	
Free Public College for All	\$47,000,000,000.00	
Housing For All	\$100,000,000,000.00	
VA Expansion	\$62,000,000,000.00	
Supporting HBCUs and MSIs	\$16,000,000,000.00	
Jobs for All (max cost, very liberal)	\$700,000,000,000.00	

Notes:

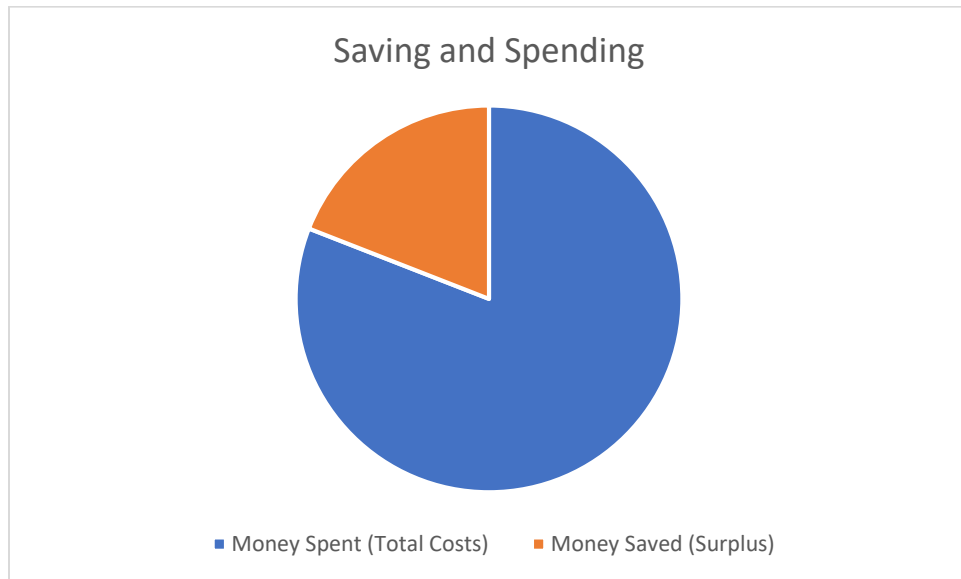

Student Debt Forgiveness is the total cost divided over 10 years

Jobs For All adds 200B to a proposed 500B cost to liberally and roughly account for a \$15 raised minimum wage

Housing for All is another liberal cost estimate, 30B added to a proposed 70B figure

COMPARISON

Percent of Proposals Paid For	123.57%
Money Collected	\$5,049,000,000,000.00
Money Spent (Total Costs)	\$4,086,000,000,000.00
Money Saved (Surplus)	\$963,000,000,000.00

Using proposed tax plans, and money saved from cutting costs from services no longer needed, all proposed programs discussed within this paper can be paid for in full, with about \$800 Billion dollars in excess, which can be used as "wiggle room"
